

# Announcement: Equipment on NYS Contract Released

New York State political subdivisions and others authorized by New York law may participate in this contract. These include, but are not limited to local governments, public authorities, public school and fire districts, public and nonprofit libraries, and certain other nonpublic/nonprofit organizations.

This contract may be extended to additional States or governmental jurisdictions upon mutual written agreement between New York State (the lead contracting State) and the contractor. Political subdivisions and other authorized entities within each participating State or governmental jurisdiction may also participate if such State normally allows participation by such entities.
